Standard Sink with Steel Legs

Essential Sink Kit

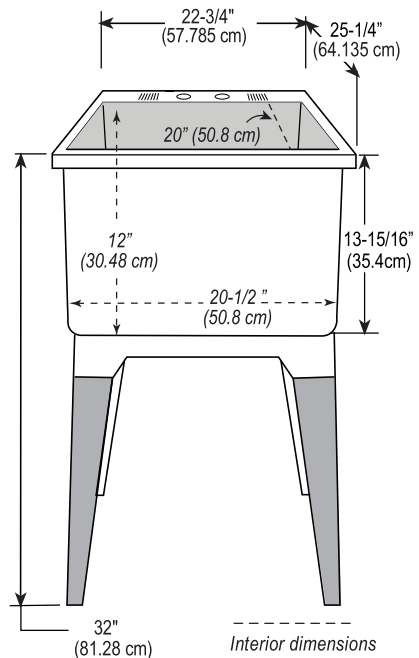

PRODUCT DESCRIPTION

A step up for the dependable Cashel basic, outfitted with ultra-strong steel legs. This entry-level option for your household or business needs features a sturdy polypropylene tub, generous 19-gallon capacity and self-draining and built-in soap dishes. A quick functional upgrade for laundry or utility rooms, pantry, garage, studio or greenhouse, this freestanding utility sink is rust and stain resistant, making it ideal for damp spaces and dry. Installs with everyday tools, and accepts any 4" mini-spread or center-set faucet. Also takes 8" wide-spread faucets.
