Standard Sink with Steel Legs

Fully-Loaded Sink Kit

PRODUCT DESCRIPTION

Heavy-gauge steel legs come standard on this version of the essential Cashel basic. Upgrade without breaking the bank! Made of sturdy polypropylene and offering a generous 19-gallon capacity, it's an entry-level option for your household or business needs. With self-draining, built-in soap dishes and a 4" faucet included, this freestanding sink is a quick functional upgrade for laundry or utility rooms, pantry, garage, studio or greenhouse. Rust and stain resistant, ideal for damp spaces and dry. Comes complete with all you need, with no special tools required.
